1

Pictures from recent trips in 2006

Monday, June 25

morning departure for Skvira

visit beef farm “Agrosolutions TOV” in Dulizke, Skvira (1.500 cattle, 110 ha arable land, buying fodder from the neighbours)

“This farm is an interesting example of a modern farm with a very energetic Ukrainian farm leader”.

afternoon visit company „ROPA Ukraine TOV” (german sugar beet harvester representation) plus arable farm with sugar beet trials (1.000 ha best soils, with 300 ha sugar beets, highly mechanised)

2

Monday, June 25 (continued)

afternoon visit „Kishinzy TOV“ (Kees Huizinga), Mankivka (2 Dutch investors, young Swiss manager, 9.000 ha, grains, sugar beet, soybeans, scarcely mechanised)

overnight at Mankivka/Uman

3

Tuesday, June 26

Morning departure for Ivanki

visit an Agro-Holding with

- sugar beet factory, Ivanki (85 years old, 1,600 tons per day only, high input of human labour)
- vegetable processing factory with growing vegetables on 30 ha (built 1981, simple storage, high input of human labour)

This is an example of an Agro-Holding with vertically integrated production and diversified agriculture. All activities are combined in one area.

afternoon

- grain storage (65,000 to, built since 2005, US technologies, 45 employees)
- discussion with owners and managers of the Holding and other guests from agrobusiness

overnight at Mankivka/Uman
